

# Aluminum alloy Casting

NINGBO INNOVAW MECHANICAL is a professional supplier for casting and machined part which is widely used for Automobile, Medical, earthmover, petroleum, electricity Industry. Dedicating in long-term business with foreign customers from North America and west Europe, we are exactly know what?; s the customer requirement when they provide drawings and material specification. And our engineering can suggest the best process and technology to make the component or any design changing if necessary. Most of our productsdie casting, casting, aluminium die casting, aluminum casting, sand casting, iron sand casting, investment casting, pressure die casting, gear housing, Quick Coupling Series, Precision CNC Machining Components, Valve Balls and Valve Industry, die casting, Pressure Die Casting, aluminum die casting, Investment Casting, Sand casting, Iron casting, CNC machining, alloy die casting, zinc die casting, low pressure die casting, aluminum pressure die casting, die casting machine, lost wax casting, high pressure die casting, permanent mold casting, stainless steel casting, aluminum casting foundry, green sand casting, aluminum investment casting, iron casting, aluminum lost wax casting, die casting for lighting industry, die casting Motorcycle Parts are exported to Canada, USA, and west Europe Germany, France, Italy, Norway, Finland, Switzerland, etc. and win good reputation among our customers.

## Aluminum Alloy Casting

Product Name:	<b>Aluminum alloy Casting</b>
Featurers:	
	Highest operating temperatures
	Outstanding corrosion resistance
	Light weight
	Very good strength and hardness
	Good stiffness and strength-to-weight ratio
	Excellent EMI shielding properties
	Excellent thermal conductivity
	High electrical conductivity

	good finishing characteristics
	Full recyclability
	<b>Aluminum alloy Casting</b> Manufacturer in china, <b>Aluminum alloy Casting</b> Supplier in china, <b>Aluminum alloy Casting</b> Factory in china, <b>Aluminum alloy Casting</b> Exporter in china
